CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Standard Bidding Document (SBD) must form part of all bids¹ invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a pe se prohibition meaning that it cannot be justified under any grounds.
3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - (a) disregard the bid of any bidder if that bidder or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - (b) cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
4. This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and/or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

SECTION 2

TERMS OF REFERENCE FOR THE APPOINTMENT OF A SERVICE PROVIDER TO CONDUCT A STRATEGIC PLANNING SESSION AND TO DEVELOP THE STRATEGIC PLAN AND ANNUAL PERFORMANCE PLAN (2017/2022) DOCUMENTS FOR BRAND SOUTH AFRICA

1. INTRODUCTION

World dynamics require South Africa (SA) to be globally competitive to achieve GDP growth, job creation and a better life for all its citizens. Economic decisions to invest in, trade with, or visit a country are not made solely on facts, as they are often emotional and based on perceptions. For this reason, it is imperative for SA to manage the perceptions that potential foreign investors, traders and visitors have of the country. This is achieved through active branding strategies and reputation management of the nation brand.

Country branding is the strategic self-presentation of a country with the aim of creating reputational capital through economic, political and social interest promotion at home and abroad. Countries engage in nation branding to achieve the following key objectives:

- shaping the country's image:- building of reputation/credibility;
- greater prosperity and success at home and improved standing abroad;
- remain globally competitive;
- reversal of adverse reputation;
- attract tourists:- creation of jobs;
- stimulate inward investment; and
- boost exports.

2. WHO WE ARE

Brand South Africa is a Schedule 3A Public Entity, which was established in terms of the Brand South Africa Trust Deed, which is governed by the Trust Property Control Act No.57 of 1988 and the Public Finance Management Act, No.1 OF 1999. The organisation reports to the Department of Communication, from which it receives its budget.

2.1. Purpose

The purpose of Brand South Africa is to develop and implement pro-active and coordinated marketing, communication and reputation management strategies for the country.

2.2. Mission

To achieve our purpose we will embark on the following execution mission:

- Develop and articulate a South African national brand identity that will advance South Africa's long-term positive reputation and global competitiveness.
- Seek to build individual and institutional alignment to and support for the brand in South Africa and pride and patriotism amongst South African.
- Build awareness and the image of the brand in other countries.
- Seek the involvement and cooperation of various government departments, civil society, business and the non-government sector.

BRAND SOUTH AFRICA

Tender: BSA/017/2016

THE APPOINTMENT OF A SERVICE PROVIDER TO CONDUCT A STRATEGIC PLANNING SESSION AND TO DEVELOP THE STRATEGIC PLAN AND ANNUAL PERFORMANCE PLAN (2017/2022) DOCUMENTS FOR BRAND SOUTH AFRICA

3. BACKGROUND/ MINISTER'S INPUTS

The following are the Minister's recommendations with regard to the future role of Brand South Africa:

3.1. Strong domestic presence

Brand SA must do an internal reflection of its work. Although there are initiatives aimed at branding the country at domestic level, such initiatives are to a great extent not visible enough. The challenge we have as country is to ensure that South Africans begin to love who they are and build a common vision for all citizens. Accordingly more work must be done at local level to change how South Africans see themselves. It is recommended that Brand SA must do collaborate with other initiatives such as Proudly SA, etc. to implement more initiatives domestically.

3.2. Focus on the African continent

Of all the targeted countries by Brand SA, there is no mention of any African country. Minister may want to ask Brand SA regarding the various initiatives which are targeted to the African continent as a whole. Brand SA must develop and implement initiatives aimed at branding the country in the African Continent. Such a plan must prioritise branding the country within the Southern African Development Community (SADC) and forging strategic partnerships with the institutions of global governance such as the African Union.

3.3. Focus on branding the country abroad

Whilst the Department acknowledges that Brand SA has over the years done a wonderful job in marketing the country abroad, there is a need for a renewed focus on this aspect. The international marketing space is becoming a competitive area with many countries doing more branding. The choices that country has to make must resonate with its foreign policy objectives. There has to be more focus on ensuring that the country's brand is lifted above any other provincial and local branding initiatives. The country's brand comes first in everything done by the national, provincial and local spheres of government. Accordingly, with the help of the DOC, Brand SA must develop a structured programme of engagement with the national, provincial and local spheres of government in order to ensure alignment and coherence of various initiatives.

4. SCOPE OF WORK

Brand SA requires the services of an expert Strategic Planning Facilitator to facilitate four-day Strategic sessions for Board (including stakeholders) and Management team on the 17 May 2016, 2 June 2016, 9 June 2016 and 10 June 2016, respectively. In conforming to the Corporate Governance Framework, PFMA and the MoA signed with our Minister, Brand South Africa drafts a five-year Strategic and Annual Performance plans annually. The Strategic and Annual Performance plan will serve as the Brand SA's blueprint and guideline of the organisation's planned activities for the period 2017/22.

The session will culminate in the revised Strategic and Annual Performance Plans (in word and PowerPoint as per National Treasury guidelines). Workshop process notes will be provided to the project manager.
